## **RUSSIAN EDUCATORS TO VISIT WESTSIDE POLICE ACTIVITIES LEAGUE**

Nine educators from Russia will be visiting the Westside Police Activities League (12500 SW Allen Blvd. Beaverton) on Tuesday July 6<sup>th</sup> from 8:30 am to 9:30 am. The educators all work with youth related issues and come from various provinces within Russia. One side trip for the educators will be a visit to PAL where they will see how the Westside PAL and the Beaverton Police Department work with youth in our community.

The Beaverton Police Department and PAL look forward to being able to show how law enforcement and youth can have a positive relationship regardless of which city or country they call home.

Their trip is being sponsored by the Beaverton Chapter of the American Association of University Women, The National Peace Foundation and the Library of Congress.

“This will be an excellent opportunity for educators from another country to see first-hand how law enforcement and youth can interact in a very positive fashion through our involvement with the Westside PAL”, commented Beaverton Police Chief David G. Bishop.
